The libraries of the Blackstone Valley collaboratively offer passes to cultural and educational sites throughout the area and beyond. Every resident of a participating town with a valid C/WMARS library card has access to the passes listed within.

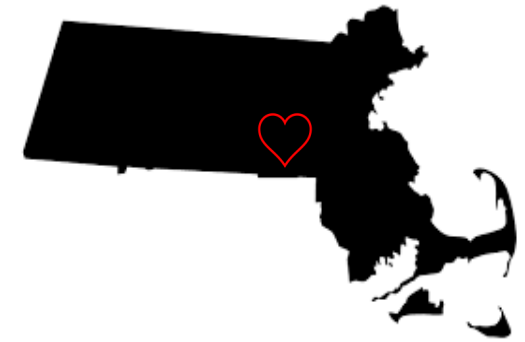

Here's how it works:

- ◆ Pick up the pass you want at its owning library the day you plan on using it.
- ◆ Enjoy your trip!
- ◆ If required, return the pass to the library where you picked it up the day after you use it or the next day the library is open. Passes must be returned in person at the library's circulation desk--please do not drop your pass in a book return!

Note that some passes do not need to be returned, but you will be notified if this is the case.

Always assume passes must be checked back in! Failure to do so in a timely fashion can result in late fees or replacement charges to your library account.

Discount Passes

Blackstone Valley Libraries
