LIBRARY LONG RANGE PLAN

“Productivity is never an accident. It is always the result of a commitment to excellence, intelligent planning, and focused effort.” -Paul J. Meyer

Every five years we put together a long range, or strategic, plan for the upcoming five years. Our current plan runs through June of 2016 which means it's time to start planning again. We are seeking a few community members who can commit to attending three meetings to help set the next plan. Meetings are scheduled for January 28, March 3, and April 7, all at 6:30 pm.

What is generally meant by strategic planning? Preparing a strategic plan that meets Massachusetts Board of Library Commissioners requirements involves a 3-6 month effort and the involvement of members of the community the library serves. It should set goals and objectives that the library wants to happen during that time frame that will help the library move towards meeting its mission and vision. Please contact Library Director Betsy Rajotte at 508-865-8752 or brajotte@cwmar.org if you are interested in serving on this committee.
