NOTES FROM THE DIRECTOR

We recently redesigned our website hoping to make it easier to navigate and locate information. I welcome your feedback and comments on the new layout. We are also now proud to offer Mango Languages! Mango is an online language-learning system that can help you learn languages like Spanish, French, Japanese, Brazilian Portuguese, German, Mandarin Chinese, Greek, Italian and many more. You can make an account with Mango and it will retain and track your progress through the lessons. There's even mobile apps available so you can learn on the go! You can even learn Pirate! (That's our favorite.) We hope you check out this fabulous new resource.
