SPRING INTO SOMETHING NEW

Sutton Seed Lending Library
It's that time of year again! Our Seed Lending Library is now open to in-person browsing for the 2022 garden season. We have vegetable, herb, and flower seeds available— many of which were donated from High Mowing Organic Seeds. How does it work you ask? Come in and “borrow” some seeds. Take them home and plant them. If you successfully grow your plant, we ask that you try and save some of the seeds produced by that plant and bring them back to the library. We have many gardening and seed saving books to choose from as you plan your home garden. To see a complete list of seeds available, please visit our website.

Book Donations Needed!
Sutton Library will begin accepting bulk book donations on Monday, April 25 to prepare for our spring book sale on Saturday, May 14. We are looking for gently used books for all age ranges. Donations should be brought into the library when the library is open. Please, do not leave books outside or in our book drop!

Friends of the Library Scrip Fundraiser
Scrip is a fundraising program that is sponsored by the Friends of the Sutton Public Library. Scrip offers a large variety of gift cards for patrons to use for holiday gifts or everyday purchases like groceries and gas. The Friends receive a percentage of the sales, and that profit is used to fund library materials, programs, and museum passes. Order forms are available at the library circulation desk. Completed forms and attached check made out to the Friends of the Sutton Public Library need to be submitted by the first Friday of every month. Gift cards will be available within 5 to 10 business days.

Kanopy is here!

Start watching today and expand your worldview with us.

American Heritage Museum Passes
The American Heritage Museum, located in Hudson, MA, is dedicated to military history. Exhibits examine conflicts from the Revolutionary War through 9/11 and the “War on Terror.” A good portion of the museum is focused on the sizable Littlefield collection, which includes many rare items from the U.S. and other countries. Among other artifacts, visitors to the museum will encounter aircraft, tanks, guns, and automobiles—some dating from the beginning of the 20th century. You can reserve a discount pass with your library card and get 1/2 price admission for up to six (6) visitors. This pass was donated by the Friends of the Sutton Library.

CHILDREN’S PROGRAMS

Programs require registration only where specifically noted, otherwise programs are drop in. In the case of inclement weather, our children’s and teen’s programs will be cancelled if the Sutton schools are closed. Registration can be done on our website, in person at the library or over the phone at 508-865-8752.
