1,000 Books Before Kindergarten

Did you know that the average picture book takes only five minutes to read? You might think that 1000 books sounds like a lot, but by reading just a couple of books a day with your child, you'll be finished in no time! You can even count books more than once, for those favorites your child wants to hear over and over.

Why read 1000 books before Kindergarten?

- Reading builds vocabulary.
- Reading exposes children to new situations and experiences.
- Reading aloud provides children with a reading role model.
- Every book read to or by your child counts!

How it works:

Keep track of how many books you are reading. You can either use Beanstack online (the same program we use for Summer Reading) or a paper log. Paper logs can be picked up in the Library or downloaded from our website. Visit us every time you've read 100 books for a small prize and to have a milestone picture taken!

Drop-Off Guidelines

Donations can be brought into the library during normal open hours. Please do not leave donations outside the library and do not put donations in the library book return.

No VCR/VHS tapes

No Audio cassettes

No Blank or Personalized CDs

No National Geographics

No Encyclopedias

No Textbooks older than 4 years old

No Reader's Digest Condensed Books

No Magazines

Nothing dirty or moldy

Why donate?

The Friends of the Sutton Library Book Sale is a significant source of funding for library programming, museum passes and many extras for Sutton patrons. The community's support through donations is greatly appreciated.

Volunteers needed!

Book sales require a lot of lifting and a lot of activity as we move books around and get boxes in and out of cars. Help setting up in the morning and breaking down in the afternoon would be most appreciated.
