FEATURED PROGRAMS

Clutter Control 101 with Dave Downs

Saturday, January 7 at 1 pm

We all have STUFF! Why do we acquire and save more possessions than we need? What happens when our stuff starts to own us? Why can't we just throw things away?

With his upbeat and unique approach, Dave Downs explores the many reasons that our drawers, closets and garages get filled with STUFF. Downs offers helpful hints for managing this difficult problem. Dave uses colorful stories throughout the talk to engage as well as inform the audience. You may recognize a part of yourself in these stories.

Participants will leave knowing that if we are thoughtful about what we acquire, what we keep and what we discard, we will start to reverse the tendency to bury ourselves in "treasures!"

A Pleasant Pairing:

Tea and Fine Chocolate with Kim Larkin

Saturday, February 18 at 1 pm

An educational talk highlighting the history and health benefits of tea and dark chocolate (cacao) with insights from Kim's commercial chocolatier background. Includes samplings of tea, tea infused food, various chocolates, trivia, poetry, antique teapot/lace display, and more.

For each non-perishable item that you bring in to the Library \$1.00 in fines will be taken off of your library card. Fines must be Sutton Public Library fines, not fines from other libraries. Food for Fines cannot be used to pay for missing, lost or damaged items. All items will be donated to the Sutton Food Pantry.

Blind Date with a Book

Need a date for Valentine's Day? We'd like to 'fix you up' with a blind date--a book of course! We'll select a variety of books, wrap them all up in oh-so-secretive brown paper and you won't know the identity of your blind date till you get it home. Will it be fiction or non-fiction? Funny, informative, a mystery, true-crime? Sure you might be disappointed; but then again ... you may end up having a great read with something you wouldn't have chosen for yourself. With each book is a 'Rate a Date' slip, simply say whatever you want about your date, you won't hurt our, or its, feelings. Even if your date turns out to be a 'dud', all is not lost. With each slip you return, you can enter a raffle for some nifty 'date-like' prizes - movie tickets, bowling, or dinner! Blind Date with a Book will run from January 3—February 10.

The idea is to give entrepreneurs a place to network, meet mentors, and bounce ideas off of like-minded individuals. Due to the holidays Krosslink will not be meeting in December.

PLANNING AND DESIGN PROJECT

The Library Building Needs Committee continues to meet and assess the needs of a future Library facility. All meetings are open to the public and are televised on Charter channel 191 and Verizon channel 31.

LIBRARY TRUSTEES

The Library Trustees meet in Room 1-A on the 3rd floor of the Town Hall. All meetings are open to the public and are televised on Charter channel 191 and Verizon channel 31. Meeting times are posted on the Library and Town of Sutton websites.

PROPOSED NEW LIBRARY PROJECT UPDATE

At the Fall Town Meeting on October 17, 2016 voters unanimously passed two articles related to the proposed Library building project.

The first article was to see if the Town would accept the schematic design for the Sutton Free Public Library Building located at Shaw Farm.

The second article was to authorize the Library Trustees to apply for, accept, and expend any state funds which might be available to defray all or part of the cost of the design, construction and equipping of the library project.

Next steps:

The Library Director and Board of Trustees will be applying for a grant from the Massachusetts Board of Library Commissioners (MBLC). We received a Planning and Design grant from the MBLC two years ago that has been helping us prepare the necessary plans and documentation for this construction grant for some time.

Frequently Asked Questions:

How much will a new library building cost?

Cost estimating hasn't been completed yet, but the project range, in 2020 dollars, is approximately \$10-12 million.

How much will a State grant be?

MBLC grants are typically 50% or more for a project of this size, so \$5-6 million.

What are the Library's fundraising goals?

Fund raising goals are yet to be set, but we have hopes of raising up to \$500,000 to offset the Town's share of the cost.

What will be the remaining cost to the Town?

Approximately \$4.5 to \$5.5 million in 2020 dollars.

What happens if we get a grant?

Voters will be given an opportunity to vote for or against the Town's portion of the cost at a future Town meeting.

Residents may visit the Library to view the prospective floor plan and architect's renderings.
