### STEM Grant Awarded

The Sutton Public Library was recently awarded a federal Library Services and Technology Act (LSTA) grant for \$7500.00 from the Massachusetts Board of Library Commissioners (MBLC). "These grants are competitive and require serious planning, great idea development, and a strong commitment to meeting well-defined local needs," said Ruth Urell Head of Library and Advisory at the MBLC. "The librarians are to be congratulated for their dedication to improving library services in their communities. The federal grants go a long way to opening new avenues for innovation and targeted services in Massachusetts libraries and the results are impressive and manifold."

In addition to the direct library grant program, the MBLC uses LSTA funds to support statewide programs and services including summer reading programs, research databases, the Commonwealth eBook program, the Commonwealth Catalog (the new virtual catalog) and [mass.gov/libraries](http://mass.gov/libraries) which has information and resources for residents. LSTA is administered on the federal level by the Institute of Museum and Library Services and in the Commonwealth by the MBLC. More information about LSTA can be found on the Board's website at [www.mass.gov/mblc](http://www.mass.gov/mblc).

If you answered "yes" to either of those questions, then our new Cookbook Club might be for you! Cookbook Club meets once a month to share a potluck style meal. All you have to do is make a recipe from the chosen cookbook!  
January 14 we will cook from *One Pan Wonders* by America's Test Kitchen  
February 11 we'll cook from *Skillet Love* by Anne Byrn  
March 10 we will cook from *Half Baked Harvest Super Simple* by Tieghan Gerard  
Copies of the books are available at the desk. Please let us know which recipe you're making so we can avoid duplicates by emailing [bperry@cwmar.org](mailto:bperry@cwmar.org).  
In addition to tasting everyone's dishes, we'll also discuss the cookbook overall, which recipes we'd make again, and which ones we'd skip or adjust.  
Please, no alcoholic beverages (even if there's a recipe for one in the book). And, as per Massachusetts state law regarding potlucks, please be advised: Neither the food nor the facilities have been inspected by the state or by a local public health agency.
